WITH OUR SERVICES

you always take the right decisions.

The company was founded in Vaduz/Liechtenstein in the summer of 2018.

The business license was issued by the Office of Economic Affairs on August 2, 2018 (permit no. 133734).

The owner, Benedikt Livers, has acquired many years of expertise in private banking at first-class Swiss and Liechtenstein banks. Together with his partners, he is also very familiar with financial planning for private customers. Together with our trustworthy partners, we will find the ideal solution for your real estate dreams.

Fair pricing and the greatest possible transparency are part of our company philosophy.

We live the following values in our company, they are the most important part of what we do.

Trust – resilience – appreciation – empathy
